### Discussion Session Structure

Each discussion section will last one hour and fifty minutes and will generally contain the following elements:

1. **Quiz** - Each week you will be given a quiz over past materials.
2. **Quiz Review** - After the quizzes are collected I will go over the solutions.
3. **Homework Help** - I will provide hints and assistance on homework problems you bring to class. Be sure to come to discussion with any problems requiring assistance.

### Attendance

Attendance will not be recorded but students arriving after quiz solutions have been presented will not be permitted to take the quiz.
